Principal at the school is Horace Allen and vice-principal is Steve J. Ondrus.

Coleman Boy Is Injured

Godhard Syryca, a 14-year-old Coleman youth, sustained painful injuries on Highway 3 near Burnis Saturday evening when the motor scooter he was driving was in collision with a half-ton truck.

Syryca was proceeding east on the highway and was near Lee's Lake turnoff when he came into collision with a west-bound truck that is alleged to have been in the process of making a left-hand turn onto the Lee's Lake road.

Syryca was taken to the Crows Nest Pass Municipal Hospital and was treated for a fractured left arm, fractured left ankle, cuts and bruises.

His condition is good. RCMP of the Blairmore detachment investigated the mishap.

Elks Birthday Party Set For Oct. 9

Coleman Elks Lodge No. 117, will hold its annual birthday party in the Elks hall on October 9.

For the occasion a banquet and social evening is being planned and a number of Grand Lodge officers will be in attendance.

Highlight of the evening will be the presentation of three life memberships as well as the presentation of 20-year, 30-year and 40-year buttons.

C.P.R. Cars Are Derailed

Three CPR gondola cars, loaded with slack coal for blast furnaces at the Trail, B. C., Tadanac Smelters, were derailed while being switched from the Coleman Collieries mine yard to the upper yard Monday evening, August 9th.

One car was derailed on its side and the other two were off the track. Extensive damage was done to two of the cars that were each loaded with some 70 tons of coal.

An auxiliary crew of CPR workers from Lethbridge arrived in Coleman on Tuesday morning to repair the tracks and damaged cars.

Local Elks Will Aid Deaf Students

The local lodge of the Benevolent and Protective Order of Elks of Canada and its ladies' auxiliary, the Order of the Royal Purple, will financially assist deaf students in this province. The scope of the Elks' national Purple Cross fund, supported by contributions from the lodge in this community, has been widened to include aid for students afflicted by deafness.

\$18,000 Bursary Fund
An \$18,000 a year bursary fund will provide \$1500 annually for a deaf high school student wishing to further their education from each of the 10 provinces, the Yukon and North West Territories.

The decision came at a gathering of 1500 Elks and Royal Purple delegates from across Canada attending the annual three-day convention of the two Orders held in Lethbridge, Alberta, recently.

No Provision For Deaf

W. J. Alton of Powell River, B.C. chairman of the committee set up to administer the fund, told the record turnout of delegates from this area that "there is no provision in Canada to financially assist the deaf who wish to acquire advanced learning on the university level."

New Ruler Elected

A Manitoba man, Adam Deminick, of The Pas, Man., was unanimously elected head of the 350 Elks Lodges throughout Canada at the Lethbridge convention. At 41, Mr. Deminick is one of the youngest Grand Exalted Rulers ever elected to the highest office in the Order. Assisting him in the administration of the 38,000 member Order are: Bob Coulling, Grand Leading Knight of Regina, Sask.; Robert Robert, Grand Loyal Knight, of Vegreville, Alberta, and Don Carlson, Grand Lecturing Knight, of Keremeos, B. C.

Lethbridge Lady Chosen

Mrs. Patricia Van Horne of Lethbridge, was elected Supreme Honored Royal Lady of the Order of the Royal Purple for Canada.

J. Hanrahan Resigns From Council

Coleman council, at its meeting on Tuesday night, accepted with regret the resignation of Councillman Joe Hanrahan, who has been transferred to a new position with the Department of Highways in Lethbridge.

In presenting his verbal resignation Mr. Hanrahan expressed his regret at leaving Coleman, but added that when his retirement came due in 10 years, he planned to return to town.

He thanked the councillors with whom he had worked during the past three years, for their co-operation and good work. He also commended Chief of Police Ed Corson, pointing out to council that he wondered if council was giving Chief Corson his due credit. He said that after having been away from the Pass for a while, he saw problems other communities were having with this department, and felt that Coleman would have a hard time to get another person to fill Chief Corson's shoes. He suggested that Coleman and other communities in the area try to co-operate with one another, for, he concluded "if the Crows Nest Pass is ever going to be a big place it is going to be united."

Deputy Mayor John Owen, on behalf of the council and town of Coleman, thanked the retiring councillor for the good work he had done for the community. He added that besides losing a good councillor the town was losing a fine citizen.

Wayne Tizzard, engineer for Underwood, McLellan and Associates, was present and gave an outline of the work done to July 15 on the town's sewerage system. He said that approximately 16,000 feet of main line has been installed as well as over 7,000 feet of service lines.

These figures indicated that the job on the lines is now past the halfway mark. Work has now started on the pump house and the crews hope to start on the river crossing on September 1.

Norman Williams, foreman for Tollestrup, who are doing the sewerage installations, reported that

COUNCIL NOTES

Wayne Tizzard, engineer for Underwood, McLellan and Associates, reported to Coleman council Tuesday evening that work on the sewerage system for the town was making good progress.

It was disclosed that the easement with the Canadian Pacific Railway has been arranged and approved. This easement will allow the town's sewerage line to follow along the CPR right-of-way through the entire length of Coleman to the disposal unit at the east end of town.

Citizens of Coleman are advised that they must obtain an approved building permit from the town before any additions or renovations are made. Home-owners will be responsible for obtaining this permit before work begins.

Council will put out bids for the purchase of a new half-ton truck to be used by the town-owned Coleman Natural Gas Company.

Town secretary-treasurer, T. A. Collier, reported that a land exchange between the town and the Forestry Department has been completed. The exchange which is of mutual advantage to both the town and the Forestry Department, involves some 35,000 square feet. The town's land was north-west of the Forestry grounds and was exchanged for a piece of land south of the Forestry grounds.

Senior Citizens Attend Meeting

A bus-load of 19 Coleman Senior Citizens Association members attended the annual Senior Citizens' convention held in Lethbridge recently.

There were approximately 200 persons from various Alberta centres in attendance. The event will be held in Taber next year.

First Year Courses Are Offered (Lethbridge Herald)

Students in the Crows Nest Pass will be interested to learn that the Lethbridge Junior College will be offering first year programs to students in the areas of drafting, electricity, electronics, structures (construction) and business education.

Graduates from this first year at Lethbridge will then go to the Northern Alberta Institute of Technology in Edmonton or the Southern Alberta Institute of Technology in Calgary for their second and third years.

In the areas of drafting, electricity and structures both the Northern and Southern Institutes are changing from two- to three-year programs. To avoid confusion, the years of the new program will be designated as Year A, Year B and Year C.

The Lethbridge College will be offering Year A of the above named programs if there is sufficient interest.

Entrance requirements for the courses are: 67 Alberta high school credits with at least a "B" standing in Mathematics 20 or 22, Science 20 or 22 and English 20 or alternate (five or more credits from Language 20, Literature 20, Language 21 or Literature 21).

Information has been received in the Pass that financial assistance is available to students in the amount of \$52.50 for a full month in attendance at the Lethbridge Junior College.

Students who are eligible for this scheme and wish to enroll should register with the Lethbridge Junior College as soon as possible.

Registrations are being made on first come first served basis until the class limit is filled.

Elks Picnic Well Attended

The annual Elks Lodge picnic for the members and families of the Coleman BPOE and OORP was held at Colewell's ranch recently, and was attended by over 250 persons.

Inflation higher than the recommended pressure reduces the degree of flexing and keeps heat to a minimum. The association also advised that pressures should only be checked when the tires are cool.

Employees of GM of Canada are eligible for awards up to \$5,000 for a single suggestion.

Legion Picnic Is Successful

Members of the Coleman branch of the Royal Canadian Legion and their families enjoyed an annual outing at Colewell's ranch recently. Races, games and other events were featured during the afternoon and free pop, ice cream and hot dogs were provided for all.

The affair concluded after an evening lunch was held with each family providing its own picnic basket.

An allowance of \$50 is made by General Motors of Canada to its dealers for each car provided for high school driver training.

MILITARY HANDYMAN

The CF-5, the new tactical, close ground-support aircraft for Canada's Armed Forces, is long on versatility. Besides the support of ground troops, the CF-5 can be used for aerial reconnaissance, air-to-air combat, or as a tactical fighter or trainer. Depending upon the mission, the twin-engine aircraft is highly manoeuvrable at speeds up to 1,000 m.p.h. It has a combat altitude of over 48,000 feet, can take-off and land on sod fields or unprepared runways, and can carry out its missions and land on only one engine.

MODEL OF ONE OF GALLERIES

Recently appointed Provincial Museum and Archives Director, R. O. Harrison, studies artifacts and a model of one of the many galleries being planned for the new Provincial Museum and Archives Confederation Memorial project to be constructed in Edmonton.

Lydia Vrskovy weds Robert DePellegrin

Spray 'mums and carnations' graced the altar of the Holy Ghost Catholic Church in Coleman, when wedding vows were exchanged between Miss Lydia Jean Vrskovy, R.T., and Mr. Robert Antonio DePellegrin.

The bride is the only daughter of Mr. and Mrs. Andrew Vrskovy of Coleman, and the groom is the youngest son of Mrs. Maria DePellegrin of Trail, B. C.

The double-ring ceremony was performed by Rev. Father W. Krewski. Mr. Albert Krywoit, of Frank, cousin of the bride, presided at the organ and accompanied soloist Miss Valerie Smith of Blairmore who sang "Blessed Be This Day", "On This Day, O Beautiful Mother" and "Sancta Maria".

The bride, given in marriage by her father, looked lovely in a floor-length gown of peau de faillie, with lily-point sleeves. The neck-line and skirt were trimmed with French Guirri lace. The full back skirt featured a sweep train and was accentuated at the waist line with a large peau de faillie rose and leaves. Her shoulder-length scalloped cloud illusion veil, edged with seed pearls, mistled from a crown of pearl and crystal. The bride's only jewelry was a single strand of pearls, a gift from the groom. She carried a cascade arrangement of red roses and white carnations.

Maid of honor, Miss Bernice Fontana, of Coleman, and bridesmaid, Miss Betty Ann Omelsuk, of Blairmore, cousin of the bride, wore identical floor-length sheaths of aqua satin with matching floral and nylon net head-dresses. Long white gloves complemented their ensembles. Each carried a bouquet of pink carnations.

Miss Darlene Slacka of Legend, was a flower girl, dressed in full white dress with aqua sash and a matching flower head-piece. She carried a tiny colonial bouquet of pink carnations.

The groom was attended by Mr. Don Quaglia and Wayne Bortolussi, nephew of the groom, both of Trail, B. C.

Master Brian Borysiuk of Blairmore, cousin of the bride, in a formal attire carried the rings on a white satin cushion. Ushering the guests was Mr. Gabe Picton of Kimberley, B. C.

For her daughter's wedding, Mrs. Vrskovy chose a pink linen sheath featuring lace inserts with matching jacket, pink hat with white accessories and a corsage of pink roses.

The groom's mother, Mrs. DePellegrin, wore a blue crepe dress with matching coat and hat, black accessories and corsage of red roses.

A reception followed in the Elks hall where Miss Barbara Bortolussi of Trail, niece of the groom, attended the guest book.

Master of ceremonies at the reception was Rev. Father Krewski. The toast to the bride was proposed by Mr. Joe Krywoit of Frank, uncle of the bride, responded to by the groom.

Mr. Don Quaglia proposed a toast to the bridesmaids.

The bridal table was centered with a three-tiered wedding cake, topped with miniature bride and groom, flanked by six candles and two red roses.

Music for the wedding was supplied by Goodwin Orchestra.

Guests at the wedding came from Toronto, Brandon, Calgary, Legend, Foremost, Lethbridge, Trail, Kamloops, Kimberley, Cranbrook and Fernie.

For the honeymoon to Portland, Oregon, Westport, Wash., and Seattle, Wash., the bride chose an aqua knitted dress with matching coat and white accessories. Her corsage was pink roses.

Mr. and Mrs. Robert A. DePellegrin will reside in Trail, B. C.

Paulette Rypien Is Bride Of Robert Zak

Baskets of 'mums formed the floral decor of the Holy Ghost Catholic Church when Miss Paulette Cecelia Rypien became the bride of Robert Joseph Zak.

The nuptials were performed for the daughter of Mr. and Mrs. Steve Rypien and the son of Mr. and Mrs. Henry Zak, jr., by Rev. Father Krewski, Saturday, August 7 at 11 o'clock a.m.

The music was provided by the members of the Catholic Church Choir and the organist was Mrs. L. Huntley of Blairmore.

Given in marriage by her father, the bride looked lovely in a floor-length gown of peau de faillie, featuring flowing back panel and lily-point sleeves. Complementing this was a shoulder-length veil. The only jewelry the bride wore

was a pearl drop, which was a gift of the groom.

Trailing deep red roses with detachable white rose corsage in the centre, made up the bride's bouquet.

Attending her sister as bridesmaid was Miss Donna Rypien, and she wore a street-length dress of pink with over-skirt and matching headpiece. Her bouquet consisted of pink carnations surrounding a pink rose.

Mr. Don DeCecco of Red Deer, supported the groom.

The young couple were honored at a wedding dinner at the home of the bride's parents at 2 p.m.

In the centre of the table sat a three-tiered wedding cake topped by two doves bearing rings in their mouths.

For her daughter's wedding Mrs. Rypien wore a pink linen dress with white accessories. Her corsage was white roses.

The groom's mother, Mrs. Zak, jr., chose for the wedding, a blue and white dress under a blue linen coat with accessories. Her corsage was pink roses.

The bride chose for her travelling costume, a yellow arnel pleated dress with white accessories. She added a lovely corsage from her bridal bouquet, consisting of white roses.

The happy couple left for their honeymoon which was spent at Coeur d'Alene, Idaho, and will take up residence in Coleman on their return.

Capron - Sudworth Nuptials Observed On July 17

Spray 'mums and carnations' formed the floral decor of St. Alban's Anglican Church when Miss Carol Sudworth became the bride of Mr. Frank Capron of Bellevue.

The nuptials were performed for the daughter of Mr. and Mrs. John Sudworth of Coleman and the son of Mr. and Mrs. Reno Rinaldi of Bellevue on Saturday, July 17 at 2 p.m.

Mr. Lionel Roy of Edmonton, presided at the organ, and accompanied the soloist, Mrs. Bena Vannoni of Blairmore, who sang "I Love You Truly".

Given in marriage by her father, the bride was radiant in a floor-length gown of white Chantilly lace, featuring a boat neckline of pearls and sequins, and long lily-point sleeves. The bouffant skirt fell in a long train at back, complemented by a semi-circle bustle of roses. Her tiara was of a scallop design and matched the material in her dress. From it fell a shoulder-length veil which encircled her head. A cascading bouquet of red roses, falling from a white orchid and pendant, with a diamond chip, a gift of the groom, completed her ensemble.

Attending her sister as matron of honor was Mrs. Sharon Vannoni of Blairmore, with other bridesmaids being Lynda Sudworth, sister of the bride; Donna Trotz and Shirley Capron, sister of the groom.

The bridal attendants wore identical floor-length sheaths of blue satin with white lace fitted bodice, satin train and blue picture hats and shoes. They carried bouquets of blue and white carnations.

Flower girl was Joanne Cauchie of Frank who wore a short dress identical to that of the bridesmaids with a white hat. She carried a basket of blue and white carnations.

Mr. Richard Juhlain of Bellevue, supported the groom and Kevin Squarek of Coleman was ring-bearer.

The young couple were honored at a wedding reception in Blairmore Elks hall at 5:30 p.m. with about 170 guests present.

The bride's table was centred with a five-tiered cake topped with a bride and groom in front of a heart-shaped lace fan. The cake nestled in a bed of blue net.

The large punch bowl was made entirely of ice inset around the top with red carnations.

For her daughter's wedding Mrs. Sudworth chose a pink sheath with matching jacket and white accessories and a pink rose corsage.

Mrs. Rinaldi wore a pink sheath with matching jacket and white accessories and her corsage was pink roses.

For travelling to Banff, New Westminster and Missoula, the bride donned a turquoise and white flowered sheath with matching coat and a turquoise and white pill box hat. Her corsage was of white roses.

Mr. and Mrs. Capron will reside in Blairmore and the groom has secured a position on the staff of the Horace Allen high school as physical education instructor. Mrs. Capron is a nursing aide in the local hospital.

AUG. 26 - SEPT. 3

Saturday night is Canadian professional night in Canada beginning August 28th. The first televised football game this season in the Western Conference will feature the Hamilton Tiger Cats and the Calgary Stampeders from McMahon Stadium in Calgary.

Don Wittman will handle the play-by-play commentary and Ernie Afaganis will provide the color. The game will be seen at 10 p.m. in Manitoba; 9 p.m. in Saskatchewan, and 8 p.m. in Alberta. Calgary will be blacked out on this occasion.

On Sunday, August 29th, CBC-TV's World of Sport will present highlights of the Marblehead-Halifax Yacht Race. This race is held every second year between the Blue-water racing yachts of Marblehead, Mass., and Halifax. The program follows the race, held in July, to its finish at the Royal Nova Scotia Yacht Squadron, as well as the pre-race preparation of a newly-launched Halifax yacht.

The second World of Sport feature Sunday, to be seen at 3 p.m. is a filmed account of the Canadian expedition to Mount McKinley to climb the previously unsealed Wickersham Wall. The narrator is J. Frank Willis.

At 10 p.m. Sunday viewers will see a documentary film containing highlights of the annual conference held at Geneva Park, Lake Couchiching, Ontario. This year's topic: "Concepts of Federalism".

Speakers include Sir Ivor Jennings, Master of Trinity Hall, Cambridge; Max Beloff, professor of government and public administration at All Souls College, Oxford; Senator Edmund Muskie, Democrat from Maine, and James M. Minifie, CBC Washington correspondent.

One of the world's most beloved comedians, Jack Benny joins Angie Dickinson, Vincent Price, Dr. Joyce Brothers and John Willis on a panel discussion program Wednesday night at 10. When the subject concerns world affairs Jack is reluctant to join in but when topic is about money Jack holds the floor.

On Tuesday, August 31st, at 8 p.m. the distinguished BBC-TV series "The Great War" will present "Today, April 2, 1917—July 18, 1918". This is the time American troops enter the battle, and their very presence revives Allied morale. Sustained by this, the allies check the German offensives and the war reaches its critical point.

Jerry spent his holidays here at home with his boat at the lake or in the Niagara River.

I hope you will enjoy a good holiday, too. Remember me to old friends as you see them.

As ever, sincerely,
 (Mrs. J. K.) Virginia E. Petrunik.

Card of Thanks

I would like to express my thanks to the Doctors, Nurses and Staff of the Crow's Nest Pass Municipal Hospital for their kindness and care given to our mother while a patient, also those who sent flowers, cards and visited her; also a special thanks to the pallbearers and those who helped in any way during our recent and bereavement.

Mrs. M. (Francis) Sinclair and Family

Card of Thanks

I would like to express my sincere gratitude for the lovely bridal shower given in my honor. A special thanks to the hostesses who contributed so much in making it a wonderful success. To all those who helped in any way, for your kindness and thoughtfulness, I extend my appreciation.

Attention HUNTERS

Hunting certificates and stamps are available at appropriate vendor sites in your district. You are advised to purchase early and avoid last minute delays. Most vendors operate during standard business hours only.

A relative or companion may purchase your hunting certificate and stamps for you. He or she will be required to provide the vendor with your name, address, sex, age, weight and height. Be sure that this information is made available to the vendor.

Certificates and stamps may also be purchased by mail, directed to your nearest Game Licence vendor. Your mailed request must also provide the vital statistics listed above plus the required fee.

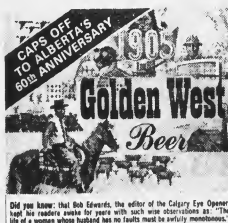

As soon as you receive your certificate, endorse it in the proper place. A hunting certificate is not valid until it is signed by the licensee. In the field, the bearer of an unendorsed certificate is an unlicensed hunter.

Labor Day Year's Top Road Killer

Of Canada's seven major holidays, the Labor Day week-end is well in the lead as creator of death on the highways, reported the Canadian Highway Safety Council.

In fact, said CHSC, the working man, whose day it is, is being pushed into the background by the road victims in the general public's view of the holiday.

The average number of road fatalities on Labor Day week-end in Canada is 61. Other holidays have averages below that. They include 25 for New Year's (the least); 35 for Easter, 42 for Victoria Day, 46 for Dominion Day, 50 for Christmas, 52 for Thanksgiving.

Major causes, CHSC claimed are the urge for dominance, the urge for speed, reluctance to "give in" to the other driver, failure to make use of driving procedures and car features designed to help avoid mishaps and lack of attention to the simple signs that warn of potential peril.

Dear Mr. Holstead:

Just a note with my subscription to say "Hello" and to wish you and yours the best of health.

We are having such a lovely cool summer here in Niagara. The rains came just in time to end the dry spell and the trees and grass remain so fresh and green, not dry and brownish as is usual at this time of the year.

Doris and her husband have returned to California after an all-too-brief visit.

I am looking forward to a holiday in the Muskoka District next week with Virginia and her family. Kenneth will join his family tomorrow. They are already here.
